

The 8200

Portable & Countertop Hybrid

PREMIUM ALL-IN-ONE ANDROID DEVICE

Maximize your point of sale capabilities by combining easy payment acceptance with customer desired features such as QR code scanning and value-added applications. With functions designed to improve the transaction flow for merchants like the charging base, expandable ports, hands-free scanning and simple touch interface, the AMP 8200 delivers the latest technology without sacrificing the connectivity and security of a traditional countertop POS. Running on a powerful Android-based OS, the 8200 is easy to use and open to customization, providing a platform to integrate payment with external productivity and business management applications
