A920 Pro

SmartMobile

The upgraded version of the world's best-selling Android™ platform payment terminal, the A920 Pro comes with a larger screen, faster performance, and an optional built-in professional infrared barcode scanner. The A920 Pro incorporates all the features that make the A920 so successful, such as its sleek and ergonomic design, integrated camera, high-speed thermal printer, and high-capacity battery. The performance and feature upgrades coupled with the best loved features from its original predecessor deliver an exciting and fresh payment experience across all dynamic environments where mobility and speed matter.
